To Whom It May Concern:

I am writing to you on behalf of JulieAnn Govang. I have had the pleasure of working with her during the past few years. She has directed several shows for me at The Alexander Children's Theatre School (ACTS) and serves as my Director of Education, as well.

JulieAnn is an outstanding, creative and innovative director. She is extremely organized and dedicated to her profession. I was impressed with how successfully she trained the students to research plot background and explore character development. She taught through her direction. The cast grew as actors and learned much about theatre.

I highly recommend JulieAnn Govang. She will be an asset to any theatre organization.
