To Whom It May Concern:

I was asked to write this letter regarding the directing ability of JulieAnn Govang. She has been a member of The Camelot Players of Greater Lowell for about six years now. She has shown us her abilities both on stage and off stage. She has shown me her excellent directing ability many times. Whatever she gets involved in she gives the task her undivided attention. She always gives 150% to each play that she is involved in. She eats drinks and sleeps thinking of ways to improve each show.

I have seen and helped in many shows that she has directed. No matter the size of the cast - 2 or 50 - she handles with extreme dedication and perseverance. I have seen her work with all age groups and, as a director myself, I don't know how she does it but she seems to work with all size casts easily.

She also works well with her backstage crew and usually getting the qualified personnel to make a perfect performance. All productions have their problems but she always manages to produce what she is trying to achieve.

I believe that anyone looking for a great director doesn't have to look any further than with JulieAnn. You will never be dissatisfied with her results.

If I can be of any further assistance please contact me at the numbers below.

Sincerely,

Kevin L. Dumont, President
