It is my great pleasure to recommend JulieAnn Govang for any directing or Artistic Director position.

I have had the pleasure to work with JulieAnn on a number of productions over the years and each one has been a success in every sense of the word. Her artistic vision for plays is complete, from casting through blocking and character development, to costumes, lights and sound, she has a clear idea what it will take to make the show work.

JulieAnn also has an amazing ability to make everyone involved in a production feel needed and worthwhile. People who work with JulieAnn once want to again and again. Actors and techs value their time and work with her.

JulieAnn has directed three main stage productions for us at Acme and we are already searching for another play for her to mold and guide.

If there any further information that I can provide please don't hesitate to contact me.
